Temporary notes issued hereunder shall be signed by the town treasurer and countersigned by the town clerk and the mayor and shall be payable within two (2) years from their respective dates, but the principal of and interest on any notes issued for a shorter period may be renewed or paid from time to time by the issue of other notes hereunder provided the period from the date of an original note to the maturity of any note issued to renew or pay the same debt shall not exceed two (2) years. The period for which bonds may be issued under section 5-3-2 need not be reduced by the period of any temporary borrowing hereunder. The aggregate principal amount of such temporary notes at any one time outstanding shall not exceed the amount of such aid payable to the town at the time such temporary notes are issued, less all amounts of such aid theretofore paid, as shall be determined by the treasurer, with the approval of the mayor. Temporary notes issued hereunder shall be signed by the town treasurer and countersigned by the town clerk and the mayor and shall be payable within six (6) months from their respective dates, but any such notes may be renewed or paid from time to time by the issue of other notes hereunder, provided the period from the date of an original note to the maturity of any note issued
