All Applications Must Be Received By:

10 am, Wednesday, February 13, 2019.

The Towns of Johnston and North Providence are seeking home repair and housing rehabilitation contractors to participate in the CDBG-funded Johnston-North Providence Home Repair program to perform needed home repairs to address safety and health hazards and abate code violations on owner-occupied 1, 2 and 3-family units. Interested contractors must submit a letter of interest and statement of qualifications per the Request for Qualifications. The Towns are seeking to pre-qualify a list of contractors who will then be invited to submit quotes for home repair projects. The Johnston-North Providence Home Repair program has a queue of over twelve projects ready for quotation. Only pre-qualified contractors will be allowed to receive an award or submit further quotes to the Home Repair Program for the next three years.

Contractors are asked to respond to this request for qualifications. Specific request for quotes will be issued for several home repair projects during this solicitation period and awarded subsequent to the prequalification.

Contact: North Providence Office of the Purchasing Agent, 401 232-0900, ext. 236 to receive the RFQ or visit:

INFORMATION FOR PROPOSERS

Johnston-North Providence Home Repair Program

Request for Qualifications from Home Repair and Housing Rehabilitation Contractors

I. BACKGROUND.

The Towns of Johnston and North Providence have been jointly operating the Johnston-North Providence Home Repair Program to assist low-and-moderate income eligible homeowners with home repairs, code compliance and health home environments. This is a triennial solicitation to form a list of pre-qualified contractors to work on private-property making home repairs and undertaking housing rehabilitation activities. Pre-qualified contractors will be invited to submit proposals and quotes for home repair projects

The Johnston-North Providence Home Repair Program provides zero-interest, deferred payment loans to income-eligible homeowners of single-family, two- and three-family homes. The J-NP Home Repair Program is seeking contractors who can assist the program in providing the following services to assist homeowners with repairs and code compliance. Individual home repair projects assisted by the J-NP Home Repair Program are generally \$25,000.00 or less per property. The Towns of Johnston and North Providence receive federal funding from the RI Office of Housing & Community Development's Small Cities CDBG program to for the Home Repair Program.

II. GENERAL PROVISIONS OF THE HOME REPAIR PROGRAM.

- A. The Johnston-North Providence CDBG Low & Moderate Income Home Repair Program shall maintain a list of pre-qualified contractors, lead safe remodeler/renovator, inspectors, and lead hazard abatement specialists. Contractors may not be employees or appointed officials of the Towns of Johnston or North Providence. Pre-qualified contractors shall not be debarred by the State of Rhode Island or any division or department of the U.S. government.
- B. Triennially the Johnston-North Providence CDBG Low & Moderate Income Home Repair Program will issue a Request for Qualifications for interested contractors. Contractors must submit proof of RI contractor's registration, Lead-safe Certification, evidence of liability insurance, references, and areas of contractor expertise (roofing, windows, boiler, etc.), and state license (electrical, mechanical, or plumbing). The Towns of North Providence and Johnston, and the Johnston-North Providence Home Repair Program reserve the right to re-open the list of pre-qualified bidders, in the

events needed specialties or services are not available from the existing list of pre-qualified bidders.

- C. Work under \$5,000 that disturbs interior painted surfaces must be conducted by a lead-safe certified contractor. Work over \$5,000.00 up to \$25,000.00 must include a risk assessment and implement interim controls in accordance with HUD standards, Subpart J, §35.930(c). Work that is more \$25,000.00 or more requires a risk assessment and abatement of lead hazards in accordance with HUD Standards, Subpart J, §35.930(c). All work must be done in accordance with federal and state regulations.
- D. Prequalified bidders will be asked to submit a proposal and bid for specific home repair/ housing rehabilitation projects within the Town of Johnston or North Providence in response to a specific scope work.
- E. All work must be completed by the prime contractor. No subcontracts are allowed under this program.
- F. Contractors shall acknowledge that they have conducted a site visit and inspected the required repair prior to submitting a project-specific quote.
- G. Bid or quote requests shall indicate that work shall be conducted in accordance with State and Federal regulations. The bid or quote request shall specify that work be conducted in accordance with manufacturer’s specifications (as applicable).

III. NEEDED SPECIALTIES AND CONTRACTOR SERVICES.

Contractors with experience and skills providing the following services are invited and encouraged to submit their qualifications.

Handicapped Barrier Removal involves the removal of architectural barriers in dwellings where elderly and/or handicapped persons reside AND the properties are eligible and approved for rehabilitation. Barrier removal will occur only in conjunction with rehabilitation activities and would involve only minor expenditures, not major structural additions or modifications, such as elevators. Examples of eligible activities would be ramps to one first floor common area of the domicile, fire escapes from multi-level structures where the upper levels are accessible, removal of thresholds, widening of doorways where feasible, outfitting bathroom facilities, installing appropriate hardware (doorknobs, etc.) and similar types of activities.

IV. WAGES.

- A. Work will be on private property. The Johnston-North Providence Home Repair Program with funding from the Rhode Island Small Cities Community Development Block Grant (CDBG) program provides zero-interest, deferred payment loans to income-eligible home owners of owner-occupied single-family, two- and three-family homes. Davis Bacon and RI Prevailing Wage laws do **not** apply to projects managed by the Johnston-North Providence Home Repair Program. Repair of single-family, two- and three-family homes are exempt from Davis Bacon.
- B. Minimum wage, workers' compensation requirements, equal employment opportunity, the Copeland "Anti-Kickback Act" (40 U.S.C. 3145), as supplemented by Department of Labor regulation (29 CFR Part 3, "Contractors and Sub-contractors on Public Building or Public Work Financed in Whole or in Part of Loans or Grants from the United States"), Fair Labor Standards Act, and all applicable state and federal regulations must be adhered to.

V. LEAD.

Lead Hazard Reduction shall be required for projects which disturb painted surfaces.

- A. All work shall be in accordance with federal and state regulations.

1. Federal: Title 24- Housing and Urban Development PART 35 - LEAD-BASED PAINT POISONING PREVENTION IN CERTAIN RESIDENTIAL STRUCTURES. Federal Lead-Based Paint regulations can be found at 24 CFR Part 35. http://www.access.gpo.gov/nara/cfr/waisidx_03/24cfr35_03.html
 2. State: Lead Hazard Mitigation Law (RIGL 42-http://www.hrc.ri.gov/misc/lead_mitigation.php).
 3. Properties constructed prior to 1978 will be presumed to have lead.
 4. Projects such as boiler replacement which do not disturb interior painted surfaces are presumed to be exempt from the regulations pertaining to lead hazard reduction and screening.
- B. All contractors shall be certified in Lead Safe Practices and have a current certification in Lead Safe Practices that meets US EPA and RI Health's standards. Contractors shall provide copies of current certification for the firm and its employees.

VI. PROPERTY DAMAGE.

Contractors will be responsible for any property damage caused by them during the performance of home repair and housing rehabilitation services. Complaints as to damage by property owners and damages observed by Johnston-North Providence Home Repair personnel will be reported to the contractor promptly upon receipt of a complaint. Payment for services rendered will be delayed or subtracted from monies owned until any of the above damagers are addressed.

VII. CONFLICT OF INTEREST.

All contractors must submit a signed Conflict of Interest Form. Contractors must also disclose, in writing, to the Towns any conflicts or perceived conflicts with property owners and/or tenants at time of quote/bid for repairs/rehab at individual properties.

No elected or appointed State or municipal official (officer or member) shall, while serving as such, have any financial interest, direct or indirect, or engage in any business, employment, transaction or professional activity or incur any obligation of any nature which is in substantial conflict with the proper discharge of his/her duties or employment in the public interest and of his/her responsibilities as prescribed in Title 36, Chapter IV, of the General Laws of Rhode Island. No member of or Delegate to the Congress of the United States of America shall be admitted to any share of part thereof to any benefit to arise herefrom.

The Contractor shall full comply with CDBG Conflict of Interest provisions outlined at 24 CFR Part 570.489(h) "Conflict of Interest" and 24 CFR Part 85.36(b)(3) "Code of Conduct".

- 24 CFR 570.489 – In general, no person (who is an employee, agent, consultant, official or elected/appointed official of the State, unit of general local government or of any designated public agencies or sub-recipients which are receiving CDBG funds) who exercise or have exercised any functions or responsibilities with respect to CDBG activities assisted under this subpart or who are in a position to participate in a decision making process or gain inside information with regard to such activities may obtain a financial interest or benefit from the activity, or have any interest or benefit from activity or have an interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have family or business ties, during their tenure or one year thereafter. Any requests for “exception” from this requirement, in accordance with the regulations, must be submitted in writing by the Contractor to the Johnston-North Providence Home Repair Program and OHCD prior to the obligation of funds. As indicated, this regulation applies to the Contractor as well as sub-recipient entities funded.
- 24 CFR Part 85.36 – In general, the Contractor must maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No employee, officer or agent of the grantee or sub-grantee shall participate in the selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved.

If a potential conflict is perceived, the Johnston-North Providence Home Repair program will contact the State Office of Housing & Community Development to review and discuss the proper process. Please note that existence of a conflict does not necessarily mean an individual or business entity is unable to participate in the program. However, proper procedures must, however, be followed prior to any obligation/expenditure of funds involving such persons. Violations of conflict of interest provisions may result in criminal and/or civil penalties.

VIII. INSURANCE.

Contractors must carry General Liability -Bodily Injury/Property Damage insurance with minimum coverage of \$1,000,000.00 per incident; automobile and construction vehicle liability coverage in the amount of \$1,000,000.00 and Employer Liability Insurance in the amount of \$1,000,000.00. As part of the submission of application materials in response to this RFQ, the Contractor shall provide proof of said insurance. The Town of North Providence shall be a named certificate holder.

Proof of workers’ compensation insurance in accordance with Rhode Island statutory requirements shall also be provided.

IX. WARRANTIES AND PERFORMANCE BONDS.

- A. Contractors will be asked to warranty and guarantee home repairs and housing rehabilitation work for one year following completion of the project as measured by the date final inspection.
- B. The Towns of North Providence or Johnston at their choosing may request a performance bond on a specific home repair project. Such a request for a performance bond will be an explicit written requirement in a home repair project scope of work distributed to pre-qualified contractors as a request for quote or bid.
