

## Food and Beverage Regulation

Clients are allowed to bring in their own already prepared food as well as non-alcoholic beverages. Kitchen appliances may be used for heating and cooling. Cooking on the premises is only allowed for the licensed and insured caterer. Client is able to choose the caterer/vendor of their choice, as long as the proper up-to-date license and insurance is submitted and approved prior to event.

**There is a \$100 additional fee (non-refundable/non-transferrable) for use of the property dumpster.** However, fee can be avoided by trash being removed off-site by either host/caterer.
