## **Smoke and Carbon Monoxide Alarm Inspections**

- Residential Smoke/CO alarm inspections are conducted on **Wednesday's only**
- Appointments are taken on any weekday from 8:30 a.m. to 3:30 p.m. Please call **401-231-8505 and press 4 when prompted** to schedule an inspection
- You will be contacted on either Monday or Tuesday with the exact time of your inspection
- **(Add) 24.6.3.1.3.1** The local fire authority that performs smoke and carbon monoxide alarm inspections in all residential occupancies shall, at the time of the inspection, be allowed to charge a thirty dollar (\$30) fee for the inspection of any residential occupancy. The responsibility of this charged fee shall be borne by the seller on each occurrence before title to the property is transferred. A sixty dollar (\$60) fee will be allowed for any subsequent re-inspection of the same residential occupancy due to the improper installation, wrong location, improper wiring method, of the seller's failure to maintain a mutually agreed upon appointment with the local fire authority that performs the inspection function. The fees collected by the local fire authority shall be used for fire prevention purposes in that particular city, town, fire district, or other municipal subdivision.
